🎬 Showreel

## SUMMARY

I am a team player and always eager to learn new ways to improve my craft. I specialize in Unity where I rig, animate and implement the designer's and artist's vision. I like being the bridge between artists and programmers.

## TECHNICAL SKILLS

- 2D Rigging and Animation
- Game Engines: Unity, Unreal Engine
- Git and GitHub
- Blender
- Affinity Designer & Photo
- Programming languages: C#, JavaScript, Python
- Languages: Spanish, Catalan, English, Finnish (B2), Ilokano (B2)

## SOFT SKILLS

- Strong communication
- Adaptability
- Problem-solving
- Eagerness to learn
- Team player
